"LET THE CHILDREN
COME TO ME FOR
THEIRS IS THE
KINGDOM OF HEAVEN."

(LUKE 18:16)

St. Francis Day Care Center has been established for your child. A child is a gift from God to you and to the world. God loves your children; you love your children; we love your children.

We are a Roman Catholic institution owned and operated by the Sisters of St. Francis of the Martyr St. George.

Hours of Operation
6:00 a.m. - 6:00 p.m.

Ages Served
6 weeks old - Pre-Kindergarten

The Center offers an educational program geared to the developmental needs of each child. The teachers carefully plan and coordinate a balanced, flexible curriculum offering conceptual experiences in language arts, math, science, dramatic play, music, and creative arts plus ample opportunity to develop small and large motor skills.

Please contact the St. Francis Day Care Center offices for pricing inquiries.

We want to help your child to grow spiritually, intellectually, and socially by providing an environment that will stimulate and create interests.

We strive to provide the atmosphere, time, space, and materials for carefree, joyful play, which we believe is the basis for developing skills in a child. Religious activities and sharing the teachings of the Catholic Church are also part of our curriculum. For the total well-being of your child, we look forward to a good relationship between you, the parents, and our employees at St. Francis Day Care Center!

Christ said, "Let the children come to Me for theirs is the Kingdom of Heaven." (Luke 18:16) To you we say with His words: Let the children come to us while you are working, and when your child returns to you, we hope he or she will be more loved, more loving, and happier every day.
